MARKDOWN SLIDES

Ann Example

Do not adjust your set!

Maths is important

How is maths traditionally presented - Whiteboard/visualiser, PDF, hand-written notes, viewed via BB/Canvas mobile website or app
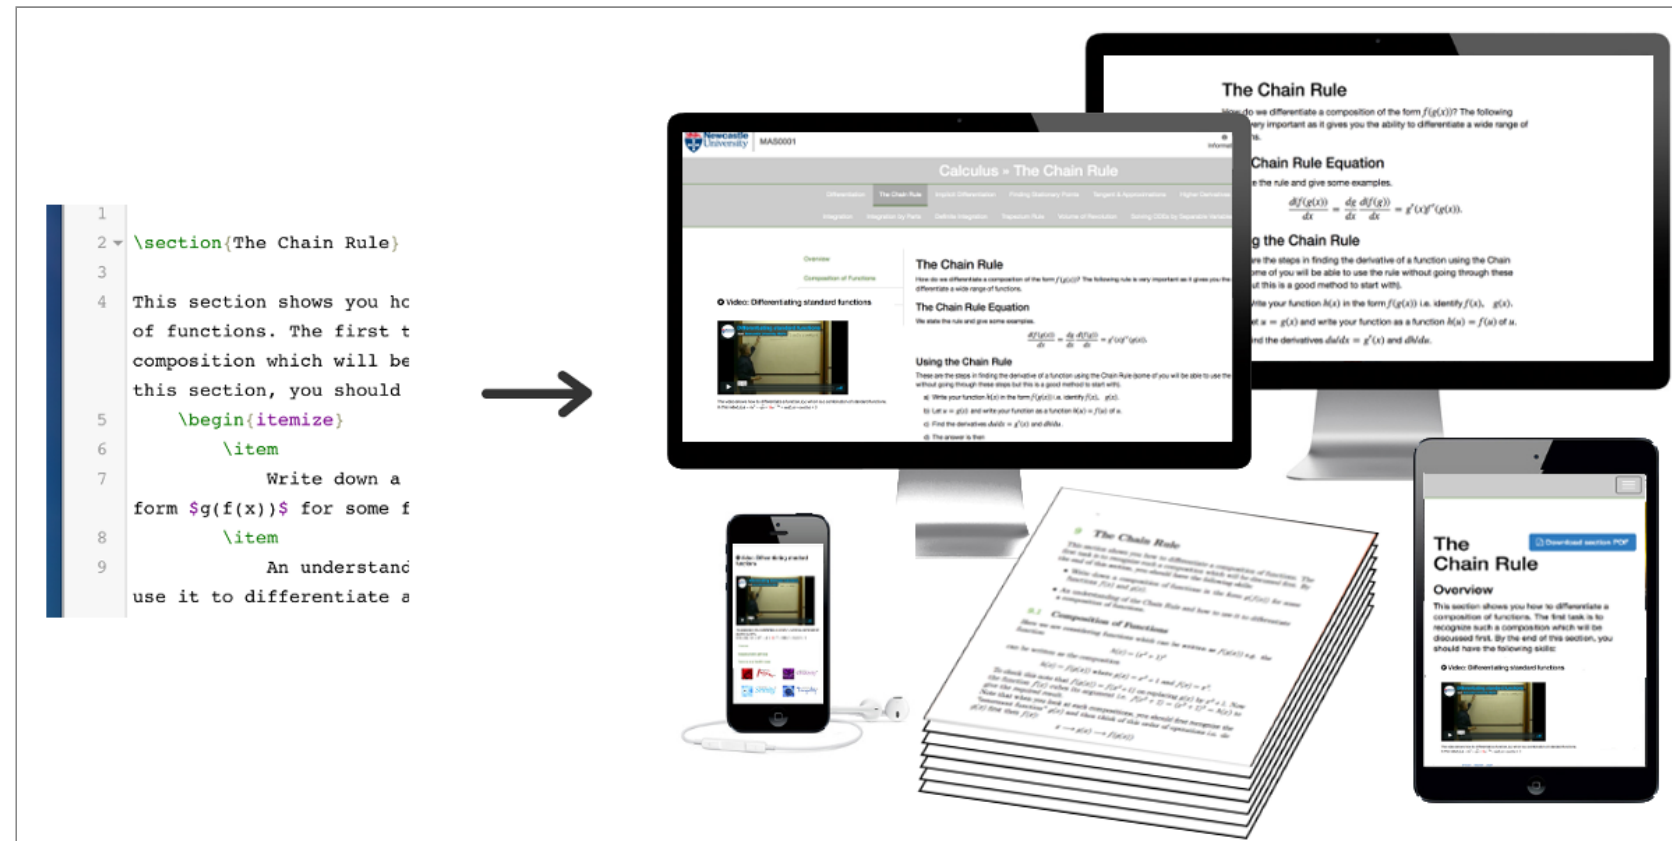

$$\int_0^\infty \frac{\sin(x)}{x}\,\mathrm{d}x$$

ABOUT COURSEBUILDER

Motivations:

- to support students with special requirements
- to offer flexibility for different devices
- to enrich lecture notes

The idea: to use a single source file to generate lecture material in a variety of formats:

The content for this page - in the format of slides, PDF and responsive web pages in multiple themes - is all generated from one file.

MATHS!

$$\int_0^\infty \frac{\sin(x)}{x}\,\mathrm{d}x$$

LIVE CODE

```
x = 1:100;
x(mod(x,7)==0)
```
